

## **HALLING ANNUAL PARISH MEETING – 27 APRIL 2010 - REPORTS**

### **Jubilee Hall**

The Jubilee Hall has enjoyed another positive year.

The Hall enjoys a wide variety of hirers and we offer reasonable rates of hire. Our Hire Secretary ensures that the Hall is well maintained and up to standard.

Nearly all our Hirers come from within the Village and the Jubilee Hall has been part of Halling village life for over 30 years.

We have financed a smart refurbishment as well as renewing Lighting and Fire Alarm System.

The Halling Parish Council is one of our greatest supporters and we are always grateful for any assistance that they are able to give.

In return we are pleased that we are allowed to play a role in the build up to the Halling Fun Day, as well as supporting other charity events within the Village.

I would like to thank our Management Committee, especially Roy Willoughby and Mary Acott, for the time and effort that they put in.

We look forward to another sound year.

Thank you very much!
