

Final External Auditor Report and Certificate 2018/19 in respect of Halling Parish Council KE0115

Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report 2018/19

On 24 September 2019, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2019. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

- The smaller authority has disclosed that it made proper provision during the year 2018/19 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.
- The AGAR does not contain the minute reference (Section 1 and 2), so it is not possible to determine whether Section 1 was approved prior to Section 2 in accordance with the Accounts and Audit Regulations 2015.
- The smaller authority failed to approve the AGAR in time to publish it before 1 July 2019, the date required by the Accounts and Audit Regulations 2015, and did not disclose this by answering 'No' to Section 1, Box 1.

Other matters not affecting our opinion which we draw to the attention of the authority:

- The smaller authority has confirmed that it has not complied with the governance assertions in Section 1, Boxes 5 and 8 but it has not provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.
- The smaller authority has not provided:

an adequate explanation for the variance between the prior and current year values in Box 6 of Section 2
