Well folks maybe we should go to Wouldham and look for the pot of gold that is their side of the river!!

We have received the precept and Rural Liaison Grant from Medway Council and the final payment from Tesco Bags of Help, so the Parish Council's finances are looking healthy.

The outdoor gym equipment has now been installed in the Lower Recreation Ground and is already being used. We are still debating what facilities we should install in the Upper Recreation Ground. We did hold a public consultation but only 3 members of the public turned up! If you have any suggestions to what facilities you think would be suitable, please use the form on the back page. Unfortunately, the youth shelter in the Lower Rec continues to be vandalised and used for anti-social purposes and so the decision has been made for it to be removed.

Fun Day is planned to be held on 2 September – more details to follow in due course.

We are replacing the chain barrier on Marsh Road with a more robust vehicular barrier to prevent unauthorised access. This should be completed in the very near future.

Negotiations continue with Medway Council and the Baptist Church in respect of the sale of the fire station. Progress is being made but it is not as fast as we would like. To allay residents' fears, the fire station has in fact not cost the Parish Council any money as Costain has hired the car park at the rear which has more than offset the cost of rates and maintenance.

Yet another planning application has been received for residential development in the village and the Parish Council has raised objections. It is our opinion that further development in the village will detract from the rural nature of Halling and adversely affect our enjoyment of the village.

Finally, those of you that park on the bus routes particularly in Upper Halling please make sure that you leave sufficient space for a bus to pass. Inconsiderate parking has caused the school bus to be delayed on a number of occasions and this is particularly worrying for parents and students during important exam time.

## Jesus' Second Cousin

Jesus' Mother Mary had a cousin Elisabeth and Elisabeth had a baby who was six months older than Jesus. This little boy was, therefore, Jesus' second cousin and his birthday comes six months before Christmas on 24<sup>th</sup> June – which is near enough mid-Summer's Day, just as Jesus' birthday comes in the middle of Winter.

Elisabeth's son was called John and we call him the Baptist because he baptised thousands of people and he was the first person to do so. John baptised people in the River Jordan and Halling Church is next to the River Medway. I guess that is why our Church is dedicated to St John the Baptist.

John's task was to tell people to get ready. *The Kingdom of God is at hand.* God's Kingdom is a kingdom of justice. That's good news. There's far too much injustice in the world. I should think all of us have, at some time or another, been victims of injustice. It smarts. Even young children become indignant and make a fuss when something bad happens. They cry, *It's not fair!* As you grow older, there are far worse injustices than getting a smaller piece of cake than your sister. There are really serious injustices in the world and we cry out for justice. God's justice is good news. There is a God. He is in charge. He is just. We shall all get what we deserve.

But, hang on a minute. As well as being the victims of injustice, haven't we all also been perpetrators of injustice? Haven't we all sometimes treated other people unfairly? Can any of us honestly say that we have always treated other people the way we ought to have treated them? If you think you have always treated everybody else right, may I suggest that your standards are too low?

We cry out for justice, for people to get what they deserve, but would we really want to get what we deserve? If we had to give account to God for our lives today, could we honestly say that we deserve a place in heaven?

So how do you prepare for the coming of the Kingdom of God? The sword of justice cuts both ways! John says that the answer is to repent and to be baptised. People ask him what *repent* means. It's simple enough. If you've got two coats, he says, give one to someone who hasn't got a coat. If you've got food, share it with someone who's hungry. If you're in business, don't cheat your customers, your workers or your employers. If you're in a position of power, don't bully people weaker than you. Being baptised in the River Jordan was a sign that you meant it. Your sins were washed away. You made a new beginning with God.

Thousands of people went to hear John and were baptised. He told them, however, that someone else was coming, much more important than he, someone who would baptise with the Holy Spirit and with fire. Of course, John meant Jesus. Jesus came to John on the banks of the River Jordan and insisted on Himself being baptised by John. When Jesus was baptised, the Holy Spirit was seen to come upon Him in the form of a dove and the voice of God was heard from heaven acknowledging Jesus as His Son.

Three years later, when Jesus had been crucified and was risen from the dead, before He ascended into Heaven, He told His disciples to tell the whole world about Him, to teach people what He had taught them and to obey His commandments. All those who repented and believed were to be baptised in the Name of the Father and of the Son and of the Holy Spirit. All those who are baptised in His Name are born again, born from above. We make a fresh start. Our sins are washed away. We receive God's Holy Spirit. We pray to God as *Our Father*.

Because Halling Church is dedicated to St John the Baptist, his birthday is special to us in this village. We keep the 24<sup>th</sup> June as our Patronal Festival. This year it falls on a Saturday and we shall be celebrating with a service of Holy Communion at 9.30 am. I hope Halling people will want join us. I wonder if some who don't normally come on a Sunday might think of this as something different which they could try? Maybe see you then.

Roger Knight, Rector of Cuxton and Halling.

**Earn rewards for you and your community**

Did you know you could help raise funds for projects and groups in Halling such as the Halling & Cuxton Scouts?...Just by signing up to Co-op's LOCAL COMMUNITY FUND...

As a member, every time you shop at Co-op, 1% of what you spend on own brand products and services goes to the Co-op Local Community Fund. **If you're not a Co-op Member you can join by signing up on their website at any time.** [www.Coop.co.uk](http://www.Coop.co.uk) **You can then support your own cause.**

**How the fund works**

Every time our members buy Co-op branded products and services, from buying a loaf of bread to planning a funeral, 1% of their spend goes to a local cause, like yours.

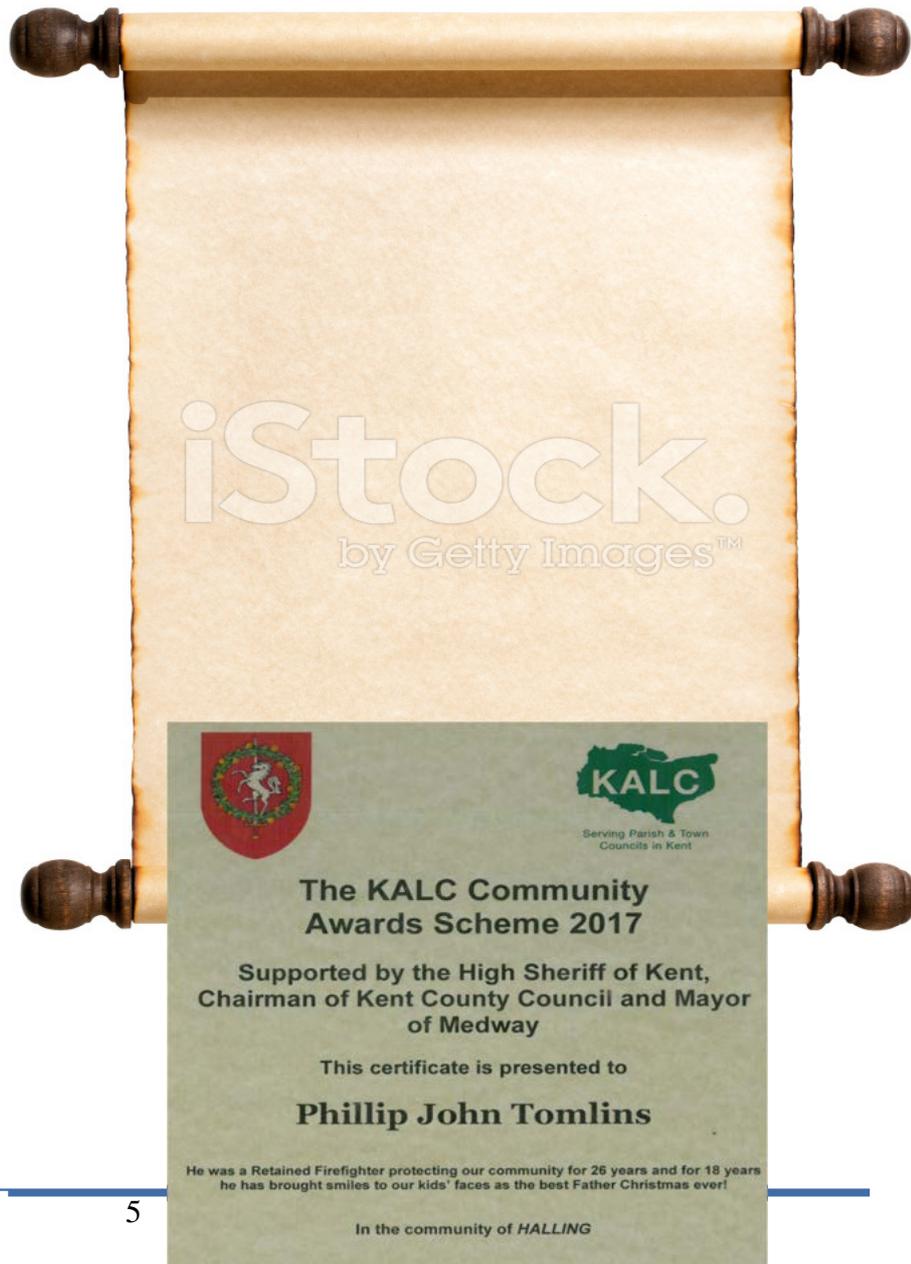

For the 6 months you're part of the fund the money builds up. Throughout the 6 months, members can choose which cause their contribution goes to.

You'll receive your funding at the end, if members don't choose a cause during the 6 months we'll share the contribution they've built up equally between the causes in their community.

**Select your cause**

REMEMBER.....If you're a member, you can choose the local cause you want your own 1% to go to.

## Jubilee Hall Window fund Penny Mile Challenge

On **Saturday 16<sup>th</sup> September** weather permitting, we are aiming to lay 1 mile of pennies through the village of Halling, in order to do this we need to collect over 84,480 pennies.

So far we have 52,300 pennies with 32,180 pennies to go

In order for this to work we need as many villagers young and old not only to donate the pennies but also to lay them in September, the aim of this challenge is not only to raise money for the Jubilee Hall window fund but to bring the village together in a fun and exciting way. There are several collection points through out the village in which money can be donated, the collecting points are at Halling Primary School 09:00-15:30, Halling Post Office 05:30 – 19:00, Halling Girl Guiding at Jubilee Hall Thursday 16:00-20:30 term time only.

The last day for coin collection will be on **12<sup>th</sup> August** after this date pennies can be brought along on the day, you can now follow us on twitter to keep up to date

We will also need ten marshals, seventeen buckets and a person with a van for the day

*"I came that they may have life..."*

**Halling Baptist Church**

Jesus made bold statements like the one above (John 10:10). Should we even be giving any attention to something said over two thousand years ago? Is it relevant to us or is it even true? Isn't faith anything you make it up to be for people just to feel better? Shouldn't we just forget religion and share the love? After all, isn't religion the cause of all the trouble? Is the life that Jesus promises consistent with reality? Is it real life?

To answer questions like these and more we have put together a series of talks, discussions and activities to address the questions people typically ask regarding Christianity with the aim of presenting you with the good news about Jesus. The meetings will be led by book authors, a former research scientist, international speakers, church pastors, and ordinary people like you and me. Come and bring your doubts and questions with you to any of the meetings! We will also have a space for mums and tots, and a pizza night for teenagers alongside fun activities. Everyone is warmly welcome.

On Friday May 5<sup>th</sup> 2017, the Halling Sapphires WI took part in the National Lonely Bouquet Day. The idea of the Lonely Bouquet is to spread a little joy by making a small bouquet, or even just a single bloom, and leaving it somewhere for someone to find.

A group of our members got together that morning and made approximately 40 beautiful bouquets which they then placed around Halling. We were glad to see that the majority were found and enjoyed by residents of our lovely village, or passed on to share the love! Many of the finders posted pictures on the Simply Halling Facebook page and the responses were wonderful. Thank you to you all for giving our Lonely Bouquets a loving home!
