

Community Adoption of Halling Railway Station

Following an initial meeting to discuss plans for the community adoption of the railway station in 2025, the Kent Community Rail Partnership has now arranged its follow-up meeting. This will be held on Tuesday 31 March, from 7pm to 8pm, at the Halling Community Centre.

Halling Station

Southeastern are offering Halling a community station adoption scheme which allows local groups to improve and enhance their local station. At last year's meeting several ideas were expressed for improvements to Halling station and the meeting in March will build on these suggestions. For further information about the adoption of Halling station please contact Gary from the Community Rail Partnership at: gary.outram@sustrans.org.uk

Halling's Annual Parish Meeting

The Annual Parish Meeting, a meeting of all residents organised by the Parish Council on their behalf, will be held on Friday 29 May 2026, at the Community Centre, starting at 7.30pm.

Forge Green History Plaque

The Forge Green history plaque has now been installed near to the war memorial. The plaque is a welcome addition both to the Green and to the promotion of Halling's local history, and the Parish Council would like to record its thanks to the Historical Society for their research and help with the project.

The new plaque at Forge Green

The plaque details how Forge Green – or 'Halling Bottom' as it is traditionally known – was once the site of a blacksmiths, a builders' merchant, and Forge Cottage (which was demolished shortly after the Second World War). There is also reference to the junction being known as 'Four Wents Way' because in years gone by the main road to Rochester (today's Kent Road) diverged into two ways at 'Halling Bottom' before rejoining at Stake Lane. The old road led to a chalk pit and was lost by the 1880s. Fortunately this interesting history of 'Halling Bottom' and its surroundings can now be enjoyed by residents and visitors to the present day Forge Green.

There are many ways my office can assist with local issues, and while I can't always guarantee the outcome of a case, I'll always do my best to help. Here are a couple of recent examples:

Community safety and maintenance: After a local resident raised concerns about neglected greenery and the increased fire risk caused by dry, overgrown grass, I contacted Medway Council to confirm who was responsible for the land. Once the owner was identified, the area was cut back and made safe.

Supporting families in urgent need: When a family with complex health and education needs were at risk of homelessness, I worked with Medway Council and helped identify suitable private rental options. A housing plan was agreed, and the family have now moved into secure accommodation that meets their needs.

Stay & Play at the Community Centre

The Halling Play and Stay Group is a weekly session at the Community Centre for families and young children to play together, make new friendships, and to meet other families, mums, dads, and grandparents.

The sessions are held every Tuesday (in term-time) from 9.45-11am. Babies to school age and their families are welcome.

An activity all set for play

For further details about Play and Stay please contact: manager@hallingcommunitypre-school.co.uk

Youth Club continues to serve Halling's Young People

After reaching its 20th anniversary last year, the Halling Youth Club is continuing to provide the young people of Halling with a safe, fun and enjoyable place to meet up every Friday evening.

The club now has almost one hundred children on its books and regular activities include indoor sports, board games, darts, pool, arts and crafts, Lego, and table tennis. A recent special highlight was the visit of a bouncy castle and a bouncy bowling alley, supplied by Bouncyful Castles, which both proved extremely popular with the children.

A well-stocked tuck shop provides plenty of drinks and snacks – essential refreshment after an energetic session on a bouncy castle or bowling alley!

The Saxon Hall at the Community Centre – all set for Youth Club

Pool Table in the Bishop's Room

In the run-up to the recent half-term break the club organised its first chess tournament, and the children themselves are now planning to hold a darts tournament (with new software to calculate the scores) and a pool competition.

The Club is run by two Leaders, Natalie Luck and Councillor Leslie Hitchcock, who are assisted by several volunteer helpers. The Club also tries different activities to discover new talents within the children, and this summer skateboard lessons will be available in the Community Centre car park area.

Further details about the club can be found on Facebook or on the Clubs and Societies page of the Parish Council website. New volunteers are also welcome to get in touch, especially if you have an idea for a new activity.

Halling Primary School prepares for its 150th Anniversary

This year marks 150 years of primary education in Halling, and the school's Dan Harrison and Kerrie Reid, coordinators of the celebrations, report on the preparations for the anniversary and plans for a day to remember in the school's history:

On Friday 8 May the children will begin the anniversary by sending up a drone and marking a 1 5 0 on the school field with all of the pupils.

Friday 15 May will be the celebration day, when children and staff are invited to dress up for the day, as Victorians, to reflect the dress of the very first Halling pupils from 1876. A special assembly will be held to commemorate the changes and influences the school has had on the community. Throughout the day there will be different activities for the children to participate in, themed around the Victorians.

A photo exhibition is planned and the school have already asked the local community for their stories/memories/photos of their time at the school. We hope to open this up to the local community and more details will hopefully follow. To complete the celebrations, our PTA have very generously purchased a commemorative gift for all pupils that will be handed out on the day.

As a school, we have already had a whole school photograph taken and other future events will be a 150-mile sponsored walk in March and the burial of a time capsule.

The 150 year logo was designed by Jodie Fitzgerald, a Halling pupil and is based on the current school badge. The four colours represent the school's houses: Gundulf, Lambarde, Harris and Scholey.

An Easter Message From Pastor Kevin Felix Hollington

Lord Byron once said "Tis strange – but true; for truth is always strange; Stranger than fiction." Easter invites us to consider a life-changing question: Did Jesus really rise from the dead? His Resurrection is at the heart of Christianity.

Christians believe that through his death and resurrection, God acted in love to offer us forgiveness, hope and eternal life. In the Bible, the resurrection isn't presented as a legend, but as a real event that changed history and continues to change lives today. Jesus said "I am the way, and the truth, and the life. No one comes to the Father except through me."

If you've been exploring faith or asking questions, you're warmly invited to come and hear more this Resurrection Sunday, 5 April, 11:00 AM, at Halling Baptist Church, Vicarage Road. Or visit: hallingbaptist.org.uk

Supporting Halling's Societies Clubs and Associations

If you would like Halling Parish Council to advertise your group's latest news, activities or plans in the next edition of Halling View please email: assistantclerk@halling-pc.gov.uk. The Council can also award grants to local associations, and in the last twelve months the Council has financially supported the PTA, Community Rail and the new Halling Youth Chess Club.
